

OSA 0062-64

17 FEB 1964

MEMORANDUM FOR: Deputy Director (Science and Technology)

SUBJECT: Memorandum to Office of Naval Research (ONR)

It is recommended that the attached letter or its substance be forwarded to Admiral Coates. I believe this would help to maintain our present good relationship in ONR, making it easier to carry out other projects through their good offices as the projects arise. It is recommended that, with your signature added, the letter be returned to the OSA Security Staff for transmission to ONR.
